WHAT DAY CAMP WAS MEANT TO BE....WITH MEMORIES THAT WILL LAST A LIFETIME.

Sesame/Rockwood Camps provides children with a place to grow, to learn, to make new and long-lasting friends and to have fun. The journey begins here to foster self-esteem and self-confidence in a safe and well-supervised environment. A true summer home.

Dear Parents,

We are proud to be able to offer you the exciting programs during our 60nd summer at Sesame Day Camp, Camp Rockwood and Rockwood Adventures Teen Travel. There is something for every child...every summer...even a job (once in high school and college), if you want to think that far ahead.

We know that you want a nurturing summer experience for your children. We also know that you would like to feel the comfort and the confidence of having one place to send your children...year after year.

No matter when a child becomes a part of our fun, the great summer experiences you can expect will continue one fun year after another fun year after another.

We look forward to your children joining our family of camps.

Sincerely,

Dale E. Howard
